

REMARKS

This is in response to the Office Action mailed on October 5, 2004, and the references cited therewith.

Claims 17-20, 24-29, 31 and 31-32 are amended, claims 1-15 and 21-23 are canceled, and no claims are added; as a result, claims 16-20 and 24-32 are now pending in this application.

Claim Amendments

Claims 17-20 were amended to correct grammatical errors and not for reasons of patentability.

Objected Claims

Claims 24, 25 and 31-32 were objected to as being dependent upon a rejected base claim, but were indicated as being allowable if rewritten in independent form including all the limitations of the base claim and any intervening claims. As suggested, Applicant has rewritten claims 24-25 and 31-32 in independent form.

Allowable Subject Matter

Applicant thanks the Examiner for allowing claims 16-20 and 26-30.

§103 Rejection of the Claims

Claims 1-15 and 21-23 were rejected under 35 USC § 103(a) as being unpatentable over Hoffman et al. (U.S. 2002/0174067). Applicant has canceled claims 1-15 and 21-23, but reserves the right to pursue these claims in a continuation application.

Reservation of Rights

Applicant does not admit that documents cited under 35 U.S.C. §§ 102(a), 102(e), 103/102(a), or 103/102(e) are prior art, and reserves the right to swear behind them at a later

date. Arguments presented to distinguish such documents should not be construed as admissions that the documents are prior art.

Conclusion

Applicant respectfully submits that the claims are in condition for allowance, and notification to that effect is earnestly requested. The Examiner is invited to telephone Applicant's attorney at (408) 333-9972 to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,

SANCHO ENRIQUE DAVID

By his Representatives,

SCHWEGMAN, LUNDBERG, WOESSNER & KLUTH, P.A.
